## Consent to Treatment

I do hereby seek and consent to take part in the treatment by the therapist named below. I understand that developing a treatment plan with this therapist and regularly reviewing our work toward meeting the treatment goals are in my best interest. I agree to play an active role in this process.

I understand that no promises have been made to me as to the results of treatment or of any procedures provided by this therapist. I understand that sometimes with therapy situations can get worse before they get better.

I am aware I may stop my treatment with this therapist at any time. The only thing I will still be responsible for is paying for the services I have already received. I understand I may lose other services or may have to deal with other problems if I stop treatment. (For example, if my treatment has been court-ordered, I will have to answer to the court.)

I know that I must cancel an appointment at least 24 hours before the time of my appointment. I understand that I am offered reminders for appointments and if I do not cancel and do not show up, I will be charged for that appointment.

I am aware that an agent of my insurance company or other third-party payer may be given information about the type(s), cost(s), date(s), and providers of services or treatments I receive.

My signature below shows that I understand and agree with all of these statements.

I, the therapist, have discussed the issues above with the client (and/or his or her parent, guardian, or other representative). My observations of this person's behavior and responses give me no reason to believe that this person is not fully competent to give informed and willing consent.
